## The History of Who We Are

I Virginia (Jenny) S. Fogle, own and operate Palmetto Specialty Products.

After being in the chemical business for 17 years and after much thought and prayer, I established Palmetto Specialty Products in April 2002. I now have over 20 years of knowledge and experience with the Industrial Chemical Industry.

Palmetto Specialty Products is a distributor of lubricants, chemicals, industrial cleaning products, maintenance products and industrial supplies. We service and supply many different industries in South Carolina. We provide brand name products along with our own specially designed private label products.

We are committed to provide you with everything you need. Our motto is “***One visit, one vendor.***”

Palmetto Specialty Products is committed to working with our customers to establish a personalized program that provides the products and services to meet your needs.

Palmetto Specialty Products is dedicated to 100% customer satisfaction while conducting business with complete ***Honesty, Respect and Integrity.***
